EMIS Change 25-68

This change adds reading diagnostic assessment guidance for transfer students.

SECTION 2.8: STUDENT ASSESSMENT (FA) RECORD

Standard Assessments

Reading Diagnostic (RD). Based on the Third Grade Reading Guarantee, districts/schools must administer a reading diagnostic assessment to all students in grades K-3. The reading diagnostic must be administered by September 30 for grades 1-3 and by the twentieth day of instruction for kindergarten students. Kindergarten students who transfer in without evidence of a reading diagnostic must be assessed within 30 days. Students in grades 1-3 who transfer in without evidence of a reading diagnostic must be assessed within 30 days or by September 30, whichever gives the district more time.

The traditional district, STEM district, community school, or state organization in which the student is enrolled when the test is taken is responsible for reporting the results.

The RD is reported in the Reading Diagnostic (A) Collection. The particular test given to a student is reported via the appropriate Assessment Area Code.
